AMERICAN COLLEGE OF
MORTGAGE ATTORNEYS

37th ANNUAL MEETING

SEPTEMBER 23–25, 2010

Fairmont Le Chateau Frontenac Hotel
Quebec City, Canada

REBOUND OR RECESSION

PRESIDENT'S MESSAGE

The Annual Meeting of the College has always been held at an attractive and welcoming location. 2010 is no different. Plus we get the additional treat of venturing north of the border to visit our colleagues in Canada. The Fairmont Chateau Frontenac in Quebec City, Canada, combines one of the great historic hotels of North America (and the site of the Quebec Conference in World War II) with a town filled with old world charm and history, making a truly magical combination. As always, the Program Committee has put together interesting and informative CLE programs for Friday and Saturday with topics that are relevant to today's economic times.

Our new golf czar, Rob Sargent, has brushed up on his French language skills to plan a memorable golf tournament on Friday afternoon for those who have mastered "le putt" and even those who need more work on "le shank." A meeting in Quebec City means not only ACMA-sponsored optional activities but all of the cultural and historical adventures that are available throughout the town. We continue ACMA's tradition of Dine-A-Round opportunities on Thursday and Saturday nights. The Reception, Dinner and Induction Ceremony will be held on Friday night to accommodate those who must return home on Saturday afternoon. The Board of Regents meeting (all Fellows invited as always) and various committee meetings will be held on Thursday morning. Finally, there will be plenty of time to meet with old friends and make new ones.

Many thanks to Nyal Deems for selecting a fabulous venue and planning an equally fabulous meeting. Nyal, Jean and I look forward to seeing you in Quebec City and being with you at what promises to be another outstanding Annual Meeting.

Last, but not least, for those coming from south of the 49th Parallel, remember that Canada is in fact another country. So please remember to bring your passport.

A handwritten signature in black ink that reads "Rob Krapf". The signature is stylized with a large, sweeping "R" and a long, thin vertical stroke at the end.

Robert J. Krapf
ACMA President

The natural beauty of the course becomes self evident with the first swing without requiring the best stroke of the day. After easing into the first hole, the rest of the course is a variety of holes ranging from par 3's up to 212 yards and a par 5 of 630 yards.

The back nine will take your breath away! Beware if you decide to take the challenge! The 12th to the 16th hole will require everything you've got in the bag.

Meet in hotel lobby by 1:00pm.

Let yourself be enchanted by its beauty, its tradition and pastoral, seasonal rhythms.

Leaving the heart of Quebec City, you will be led onto the beautiful and historic Island of Orleans where a first stop will be made at Le Vignoble de Sainte-Petronille, a vineyard that lays on the shore of the St. Lawrence River right in front of the Montmorency Falls. Here, wine tasting and a guided tour of the vineyard is on the program.

Next stop will be at Le Jardin des Arts, an art gallery that represents works of 75 local artists. The tour then continues on to Le Domaine Steinback, a bio-certified farm operation located on a 30-acre estate along the St. Lawrence River. The site is composed of an ancestral home, a 4,000-tree apple orchard, ducks and geese, a cider house, a vinegar factory and an interpretation centre with an open kitchen for processing home-grown products. A guided visit of the site in a New France ambiance will be provided as well and sample tastings of their products. On your way back to Quebec City, a stop will be made at the Montmorency Falls, a true discovery with its impressive waterfalls of 272 feet high and centuries of history! A cable car ride will take you to the top. Stairways, lookout points, bridges and boardwalk are especially designed to allow admiration of the natural elements surrounding the area.
